

# INSTRUCTIONS

## Mini Teardrop for Desktop

Includes:  
Sectional fiberglass pole  
Weighted screw base

1

Remove the Mini Desktop Teardrop pieces from the case. Mount the lower sectional pole piece to the base plate.

2

Connect the sectional pole pieces together.

3

Slide the banner onto the pole via the pole sleeve.

Note: Be sure to feed the hardware all the way through the sleeve, to the tip of the banner.

4

Attach the loop at the bottom of the banner to the knob on the base plate to secure the banner in place.
